

# Scholarship Meeting @ 7 pm

The purpose of the scholarship is to honor students for their academic work, community service and church participation. The committee has two functioning parts: Information and Financial Award (Scholarship). We present 4-year planning tools, essay writing assistance, other scholarship opportunities, college panel forums, etc. The scholarship is based on GPA, recommendation letters, essays, participation in the youth ministry and the fulfillment of all requirements needed to be accepted into any college/university, trade/vocational training, or military.
